NOTE

- This commercial offer and all accompanying documents, including but not limited to pricing, technical specifications, product information, commercial terms, and any related materials (unless otherwise specified by the Seller) (collectively, the "Information"), contain confidential and proprietary information belonging exclusively to Seller.

The Information is provided solely for the purpose of evaluating a potential commercial relationship between Seller and the addressed recipient company. The recipient agrees to treat all such Information as strictly confidential and to use it exclusively within the aforementioned purpose by taking all reasonable measures to protect the confidentiality of the Information and prevent unauthorized access or disclosure.

Any unauthorized use or disclosure of the Information may result in the immediate withdrawal or invalidation of this commercial offer and may give rise to legal remedies available under applicable law.

- All sales and deliveries are subject to the Seller's General Terms and Conditions (GTC), unless otherwise governed by a separate written agreement between the Parties. In case of conflict, the signed agreement shall prevail. The GTC are available here <https://share.teltonika.it/index.php/s/gd8zPW2FPd0xsxT> or upon request.
